

# BuilderHelper

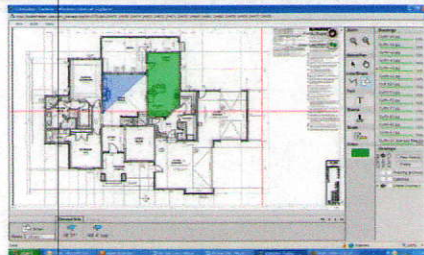

The Klamath Basin Home Builders Association and **Builder Helper** are pleased to announce a new partnership and a new "Membership Pays" program for KBHBA members. **BuilderHelper.com** is a web-based construction management program that facilitates estimating, bidding and scheduling as well as the flow of information between contractors, trades and other parties. **Builder Helper** is a more efficient and cost effective way for Builders and Trade Contractors to do business – saving everyone **TIME** and **MONEY** as well as **REDUCING** material waste.

**As a member of the KBHBA, you will receive these member benefits with Builder Helper:**

## TRADES and ASSOCIATES:

You will automatically receive a **FREE** basic bidding account. With a basic bidding account you can:

-  Receive instantaneous notification via e-mail and cell phone text message of plans open for bid – an opportunity to **bid more work** for more builders.
-  Use electronic on-line plan bidding. Tools are easy to use and very accurate – **saving time, waste factor and overbidding** - which will make your bids more competitive.
-  Have free networking with all participating contractors
-  Submit bids on-line to general contractors.

## GENERAL CONTRACTORS:

You receive the bidding and estimating portion of **Builder Helper.com** for just **\$25 per month** –

-  Easily access all member trade contractors in the HBA of Greater Dallas.
-  plans open for bid **saving you hours of time** sending bid notifications and receiving bids estimates.
-  Bid your list of trades or send the bid to all HBA contractors and trades. It's easy to do and **can make your pricing more competitive.**
-  Post your plans online so you and your trades can access, view, edit and estimate your plans anywhere you or they have internet access. This alone will **save you hundreds of dollars in printing plans** for bid.
-  Notify trades instantaneously via e-mail and cell phone about your set of

Take the Builder Helper Tour
